

Cooper Electric Gives Back to the Community

At Cooper Electric, we firmly believe that we have a moral obligation to give back to the community that gives us the opportunity to derive our livelihood. In the last six months, the organizations listed below have received either a cash donation or electrical work at no charge.

WORKING IN NEIGHBORHOODS

Harnessing the Power of Neighborhood Leadership
to Build Strong Communities across Greater Cincinnati

Working In Neighborhoods empowers people to make informed choices for themselves and their neighborhoods through community building, home ownership, and economic learning.

WIN collaborates with local organizations and businesses to provide services in two areas: community education and housing development.

About Us

Over the past 20 years, Literacy Center West has grown immensely, both in size and purpose. What began as a small agency that taught adults from the West side of town how to read has since matured into a multi-faceted, year-round, community-based organization that provides services to individuals from all of the Greater Cincinnati area.

This growth has been necessary, dictated by the economic conditions in our community as well as the trust that residents have placed in us to help them overcome their academic and employment barriers.

Our Vision

We envision a community in which citizens improve their lives through education and economic opportunity.

Our Mission

The mission of Literacy Center West is to provide G.E.D. preparation and job-readiness training at no cost to those who desire our services.

We seek to develop character and civic responsibility within those who participate in our programs through positive interactions and relationship building with staff and volunteers.

Our programs will provide opportunities for economic advancement, career exploration and self-actualization.

Our programs are open to all, regardless of race, gender, religion, ethnicity, age, marital status, physical ability, or sexual orientation.

**Society of St. Vincent de Paul
1125 Bank Street
Cincinnati, OH 45214-2130**

The Society of St. Vincent de Paul in Cincinnati is a non-profit organization providing a unique style of personal assistance with food, clothing, rent, utilities, transportation and companionship to people facing economic, emotional or spiritual crises.

Members, volunteers and staff in communities throughout Hamilton County assisted neighbors in need 81,000 times in 2008. As a private, non-profit charity, the Society relies almost exclusively on private individuals, businesses and organizations locally for support.

Everything St. Vincent de Paul does is motivated by a sense of compassion for those struggling with poverty, loneliness, illness, family problems and many other difficulties. Our Catholic faith inspires us to action, sustains our commitment, and challenges us to become more like Christ. For Vincentians, every encounter with our fellow man is an opportunity to share a spark of the divine fire.

For more information on the Society and how you can be part of it, please e-mail us at info@svdpcincinnati.org or call (513) 562-8841 ext. 234.

St. Paul's Archbishop Leibold Home

In 1868, the Little Sisters established the first U.S. homes – first in New York, then here in Cincinnati. The first home in Cincinnati, St. Joseph Home, was located on Florence Avenue. As the Sisters' mission grew, a second home, St. Peter's Home, was established on Riddle Road.

In 1972, the two homes were combined into the current facility. Today, St. Paul's Home, stands on the same property where St. Peter's Home once stood on Riddle Road. 95 elderly men and women call St. Paul's "home." Three nursing units provide care for our more infirmed Residents. Two independent living floors provide a home-like atmosphere for low-income elderly who enjoy access to daily activities, meals and support services.

Our Mother foundress, Blessed Jeanne Jugan, established the humble core of our mission, to rely totally on God's Providence to provide for our Residents' needs. The support of gracious volunteers and generous benefactors are the "hands of Providence" that enable us to care for the elderly poor.

We welcome you to explore the volunteer opportunities and activities offered here at St. Paul's Home. Together, we can share in the joy of making the Residents happy.
